Payment Address

Signature Date

Please allow 2 - 3 weeks to process your balance transfer. Continue to make your payment on these accounts until the payment for the transferred amount appears on your other issuer's statement. We are not able to close your other accounts even if you transfer the entire balance. If you want to close the account, you will need to contact the issuer directly. Balances can be transferred up to your established limit. Sound Credit Union does not charge a balance transfer fee.
