- Business accounts

To learn more about these products and all Sound has to offer visit [soundcu.com](https://soundcu.com).

### FEFCU payroll deduction

Beginning with the first paycheck in July, 2020, Fluke and affiliated company payroll will convert from payroll deductions to direct deposit to Sound Credit Union.

### What does this mean for you?

- The amount you currently have elected to go to FEFCU will continue to go to your account at Sound without interruption. In fact, the money may be deposited to your Sound savings account up to one day before your official pay day.
- If you would like to change the amount of money going to your Sound account, please contact your payroll department, the credit union is unable to make changes to your direct deposit.
- If you have a loan with FEFCU, that loan will continue to be paid automatically from your savings account on the due date.

Please contact Sound with any questions about your accounts.
