If you are using Google Chrome, you have two options for pop-up blocking settings.

- Add Online Banking to your List of Trusted Pop-up Websites Allows you to block pop-ups on all other websites while allowing them when you're using Online Banking.
- Turn Pop-up Blocking Off for all websites

Instructions for each are below.

CREDIT UNION

- 1. Open Google Chrome
- 2. Select the '
 ' Chrome menu
- 3. Select 'Settings'

In the window that displays, scroll to the bottom and select 'Show advanced settings...'

Home Sou	ind Credit Unic × Settings ×	
← ⇒ C	🗅 chrome://settings	☆ =
Chrome	Settings Search settings You are currently the only Google Chrome user.	
Extensions	Add new user Delete this user Import bookmarks and settings	
Settings	Default browser Make Google Chrome the default browser	
Help	Google Chrome is not currently your default browser. Show advanced settings	

5. From here, scroll almost half way down to 'Privacy' and select 'Content settings...'

- 6. Scroll down to 'Pop-ups'
- 7. This is where you choose to either allow or not allow pop-ups. If you choose 'Do not allow any site to show pop-ups (recommended),' you will need to select 'Manage exceptions...'
