Auto Rental Collision Damage Waiver

No cardholder wants to incur the expense of repairing or replacing a rented car. But accidents do happen, and vehicles do get stolen. No matter what happens to Your rental car, You can be covered with Auto Rental Collision Damage Waiver. Auto Rental Collision Damage Waiver reimburses You for damages caused by theft or collision -- up to the Actual Cash Value of most rented cars. Auto Rental Collision Damage Waiver covers no other type of loss. For example, in the event of a collision involving Your rented vehicle, damage to any other driver's car or the injury of anyone or

Visa[®] Consumer & Business

Credit Card Benefits

anything is not covered. Rental periods of fifteen (15) consecutive days within Your country of residence, and thirty-one (31) consecutive days outside it, are both covered. (Longer rental periods, however, are *not* covered.)

You are eligible for this benefit if Your name is embossed on an eligible card issued in the United States and You use it to initiate and complete Your entire car rental transaction. Only You as the primary car renter and any additional drivers permitted by the Rental Car Agreement are covered.

How Auto Rental Collision Damage Waiver works with other insurance.

Auto Rental Collision Damage Waiver covers theft, damage, valid loss-of-use charges imposed and substantiated by the auto rental company, administrative fees and reasonable and customary towing charges, due to a covered theft or damage to the nearest qualified repair facility.

If You *do* have personal automobile insurance or other insurance that covers theft or damage, this benefit reimburses You for the deductible portion of Your car insurance or other insurance, along with any unreimbursed portion of administrative and loss-of-use charges imposed by the car rental company, as well as reasonable towing charges while the car was Your responsibility.

If You *do not* have personal automobile insurance or any other insurance, the benefit reimburses You for covered theft, damage, or administrative and loss-of-use charges imposed by the rental company, as well as reasonable towing charges that occur while You are responsible for the vehicle.

If You are renting outside of Your country of residence, the coverage provided under this benefit is primary and reimburses You for covered theft, damage, or administrative and loss-of-use charges imposed by the rental company, as well as reasonable towing charges that occur while You are responsible for the vehicle.

How to use Auto Rental Collision Damage Waiver

1. Use Your card to initiate and complete Your entire car rental transaction.
2. Review the auto rental agreement and decline the rental company's collision damage waiver (CDW/LDW) option, or a similar provision, as accepting this coverage will cancel out Your benefit. If the rental company insists that You purchase their insurance or collision damage waiver, call the Benefit Administrator for assistance at 1-800-348-8472. Outside the United States, call collect at 1-804-673-1164.

Before You leave the lot, be sure to check the car for any prior damage.

This benefit is in effect during the time the rental car is in Your (or an authorized driver's) control, and it terminates when the rental company reassumes control of their vehicle.

This benefit is available in the United States and most foreign countries (with the exception of Israel, Jamaica, the Republic of Ireland or Northern Ireland). However, this benefit is not available where precluded by law, or where it's in violation of the territory terms of the auto rental agreement, or when prohibited by individual merchants. Because regulations vary outside the United States, check with Your auto rental company and the Benefit Administrator before You travel, to be sure that Auto Rental Collision Damage Waiver will apply.

Vehicles *not* covered

Certain vehicles are *not* covered by this benefit, they consist of: expensive, exotic, and antique cars; cargo vans; certain vans; vehicles with an open cargo bed; trucks; motorcycles; mopeds; motorbikes; limousines; and recreational vehicles.

Examples of expensive or exotic cars are the Alfa Romeo, Aston Martin, Bentley, Corvette, Ferrari, Jaguar, Lamborghini, Lotus, Maserati, Maybach, McLaren, Porsche, Rolls Royce, and Tesla. However, selected models of Audi, BMW, Mercedes-Benz, Cadillac, Infiniti, Land Rover, Lexus, Lincoln, and Range Rover *are* covered.

An antique car is defined as one that is over twenty (20) years old, or one that has not been manufactured for ten (10) years or more.

Vans are not covered. But those designed as small-group transportation vehicles (seating up to nine (9) people, including the driver) *are* covered.

If You have questions about a specific vehicle's coverage or organization where the vehicle is being reserved, call the Benefit Administrator at 1-800-348-8472, or call collect outside the United States at 1-804-673-1164.

Here's how Warranty Registration works

When You purchase an eligible item that carries a manufacturer's warranty, You can register Your purchase by calling 1-800-551-8472 or call collect outside the U.S. at 1-303-967-1096. You can also register Your purchase online at www.cardbenefitservices.com.

The Benefit Administrator will tell You where to send Your item's sales receipt and warranty information, so they can be kept on file should You need them.

If You choose *not* to register Your item, be sure to keep Your monthly billing statement reflecting the purchase, the itemized sales receipt, the original manufacturer's written U.S. warranty and any additional warranty in a safe place. These documents will be required to verify Your claim.

Here's how Extended Protection works

Your warranty coverage can be doubled up to one (1) additional year on eligible warranties of three (3) years or less. For example, a manufacturer's warranty of three (3) months would be provided with an additional three (3) months of coverage for a combined total of six (6) months of coverage, and a warranty for six (6) months would be provided with an additional six (6) months of coverage for a combined total of twelve (12) months of coverage. However, if the manufacturer's warranty is for three (3) years, it would only be extended one (1) additional year for a combined total of four (4) years of coverage.

This benefit is limited to no more than the original price of the purchased item (as shown on Your credit card receipt), less shipping and handling fees, up to a maximum of ten thousand dollars (\$10,000.00) per claim, and fifty thousand dollars (\$50,000.00) per cardholder.

The benefit covers purchases made both inside and outside the U.S. The eligible item must have a valid original manufacturer's U.S. repair warranty of three (3) years or less, store-purchased dealer warranty, or an assembler warranty.

What Extended Protection does *not* cover?

- Boats, automobiles, aircraft, and any other motorized vehicles and their motors, equipment, or accessories, including trailers and other items that can be towed by or attached to any motorized vehicle.
- Any costs other than those specifically covered under the terms of the original manufacturer's written U.S. repair warranty, as supplied by the original manufacturer, or other eligible warranty.
- Items purchased for resale, professional, or commercial use.
- Real estate and items which are intended to become part of real estate including, but not limited to, items that are hard-wired or hard-plumbed, garage doors, garage door openers, and ceiling fans.
- Rented or leased items.
- Computer software.
- Medical equipment.
- Used or pre-owned items (Refurbished items will be covered as long as it has a warranty with it and would not be considered used or pre-owned.)
- Losses caused by or resulting from a Cyber Incident.

Filing an Extended Protection claim

To file a claim, call the Benefit Administrator at 1-800-551-8472 or call collect outside the U.S. at 1-303-967-1096, immediately after the failure of Your covered item. Please note if You do not notify the Benefit Administrator within sixty (60) days of product failure, Your claim may be denied.

The Benefit Administrator will request preliminary claim information, direct You to the appropriate repair facility, and send You the claim form. Gift recipients of eligible items are also covered, but they must provide all the documents needed to substantiate their claim.

If You received or purchased a service contract or an extended warranty when You purchased Your item, this benefit will be supplemental to, and in excess of, that coverage.

How You will be reimbursed

If You have substantiated Your claim and met the terms and conditions of the benefit, Your item will be replaced or repaired at the Benefit Administrator's discretion, but for no more than the original purchase price of the covered item, as recorded on Your credit card receipt, less shipping and handling fees, up to a maximum of ten thousand dollars (\$10,000.00) per claim, and a maximum of fifty thousand dollars (\$50,000.00) per cardholder. You will only be reimbursed up to the amount charged to Your Account or the program limit, whichever is less.

Under normal circumstances, reimbursement will occur within five (5) business days of the receipt and approval of all required documents.

If Your item is to be repaired, You may go to an authorized repair facility and file a claim for reimbursement. Only valid and reasonable repairs made at the manufacturer's authorized repair facility are covered.

In either case, the Benefit Administrator's payment, replacement, or repair made in good faith will fulfill the obligation under this benefit.

Global Customer Assistance Services (GCAS)

Awareness, Education and Reminders

The Global Customer Assistance Services (GCAS) Program is a comprehensive suite of customer service programs that Visa make available to cardholders when they are travelling or planning to do so. Operated through Emergency Services Application on Visa Online, GCAS provides services to initiate or respond to an emergency request.

- Cardholder Inquiry Services (CIS) – General card and benefits information is readily available. Issuers are assured that any questions related to card declines, credit limits and card balances will be directed back to the issuer.
- Emergency Card Replacement (ECR) – Once it's confirmed that a card replacement is necessary, cards are usually received within 1 to 3 business days from the approval of the issuer. You can also initiate an ECR using the Visa Emergency Service Application.
- Emergency Cash Disbursement (ECD) – When an emergency arises, cash can be disbursed to the cardholder in as little as two hours. An ECD request can also be initiated by the issuer through Visa Emergency Services (VES), via Visa Online.
- Lost or Stolen Card (LSC) – If the full card number is available, the entire process is completed within 30 minutes. It starts by blocking a lost or stolen Visa card number on VisaNet[®] and contacting the issuer. Even if a full card number is not available, Visa can help facilitate the process by connecting the cardholder to the Issuer.
- Exception File Update (EFU) – We will initiate an update message to the Visa Exception File on the issuer's behalf. EFU prevents declines based on transaction amount for VIP clients and can also be used to assign restrictions to cards based on region and card status.
